Directors of Greater Bethel Chamber Initiate Winter Publicity Program

The directors of the Greater Bethel Chamber of Commerce met Wednesday morning at the Casco Bank in Bethel to go over an initial winter vacation advertising program that calls for joining with the Maine Publicity Bureau's publication called "Maine for Winter Vacations".

It was decided to publicize Bethel's winter vacation opportunities with a full page advertisement in view of the favorable response which the chamber received from its summer advertisement in the bureau's "Maine Invites You" publication.

In other business, plans for a dinner meeting at the Bethel Spa Restaurant will be circulated in a newsletter to all members. The purpose of the October dinner meeting will be to allow all business owners who are interested in

Christmas and winter carnival activities to attend and discuss plans and ideas. The second Christmas parade and tree lighting ceremony is set for Friday evening, Dec. 12.

Information about what to do in Bethel was another topic of discussion at Wednesday's meeting. The conclusion drawn by the directors was that the currently available packet of brochures and some of the contents of NTL's "What to Do—Where to Go" booklet should be consolidated into a single booklet form of publication. Therefore, the executive director was asked to draw up a mock-up for consideration so that it can be reviewed and cost estimates obtained. The booklet's coverage would include year round Bethel area activities as well as day trip opportunities in the nearby surrounding area.

NTL THANKS MERCHANTS & TOWNSPEOPLE FOR ASSISTANCE & COOPERATION

NTL Institute wishes to thank the merchants and townspeople of Bethel for their assistance and cooperation during the successful season just ended, when programs were held both at Gould Academy and at the NTL Conference Center on Broad Street.

Although Gould Academy will be holding a summer school in 1981, this fact will not change NTL's plans for next year, when the total number of programs and participants is expected to be even larger than in 1980. The scheduled dates for next year's programs in Bethel are June 21-Aug. 16, 1981.

FROM THE bethel town office

There will be a Special Election on Tuesday, Sept. 23, 1980. The ballot will have a single referendum question regarding nuclear power. The initiated bill would prohibit the generation of electric power by nuclear fission thermal power plants in the State of Maine. The prohibition would apply to existing as well as proposed nuclear power plant. A "yes" vote favors the prohibition against nuclear power plants. A "no" vote opposes the prohibition against nuclear power plants. If any resident will be out of town

ing list for brochures will receive them in mid-October, and others may request to be put on the mailing list by writing NTL Institute, P. O. Box 9155, Rosslyn Station, Arlington, Virginia 22209.

BETHEL HISTORICAL SOCIETY TO HOLD ANNUAL MEETING THIS EVENING (THURSDAY)

The annual meeting of the Bethel Historical Society will be held this evening (Thursday) in the meeting room of the Dr. Moses Mason House at 7:30. A 6:30 pot luck supper will precede the meeting. Everyone is welcome.

FALL SPORTS SEASON OPENS AT TELSTAR

The Telstar soccer and field hockey teams swing into action this Friday afternoon with home games in both sports against Berlin High School of New Hampshire. Both games begin at 3:30 on the upper athletic fields.

The Bethel football team plays its home opener in a non-league tilt against Maranacook High School of Readfield, this Saturday beginning at 1:30. The Rebels, hard luck losers to Dixigo at Dixfield last week, 19-0, hope to get on the victory trail Saturday.

On Election Day and would like to vote, an absentee ballot may be obtained and voted at the Town Office or other arrangements could be made.

The Board of Selectmen will meet in regular session on Monday evening, Sept. 8, at 7 o'clock in the Bethel Savings Bank meeting room. Agenda items will include, a review of the proposed elderly housing project with a representative of Dictar Associates, review of a renewal liquor license for Esther Crockett d/b/a The Bethel Spa Restaurant, consideration of an application to operate a game of chance from the American Legion #81 and routine items.

A special town meeting will be held Tuesday evening, Sept. 9, at 7:30 p.m. in the auditorium at Telstar Regional High School. See separate article for details of the special town meeting.

Special Bethel Town Meeting Scheduled For Next Tuesday Evening, Sept. 9

The Bethel Board of Selectmen have scheduled a special town meeting for Tuesday evening, Sept. 9, at 7:30, in the auditorium at Telstar Regional High School to enable the voters to consider action on several issues.

Warrant articles provide for action on the following issues: approval of the development of up to 20 units of elderly housing in the former Thunderbird Motel on Main Street; appropriation of and authority to borrow up to \$37,000 as the Town's share of the reconstruction of the Chapman Brook Bridge; acceptance of Chandler Terrace as a Town Road; purchase of 16.78 acres of land off Bridge Street; enactment of a revised dog control ordinance; purchase of land between the Ferry Road Crossing and the former Cemetery Crossing in West Bethel for street right-of-way.

Under state law, however, the local governing body of the town has 45 days after the preliminary designation to approve or disapprove of a specific project. This article gives the voters the opportunity to specifically approve or disapprove the proposed project in the former Thunderbird Motel. A representative of Dictar Associates

Background Information On Articles

Article 2. To see if the Town will vote to approve the Maine State Housing Authority's Preliminary Designation for Dictar As-

sociates of Portland, Maine to develop up to 20 units of elderly housing on the former Thunderbird Motel property on Main Street.

Earlier this year, Town Meeting voted to authorize the Maine State Housing Authority to finance elderly housing projects in Bethel. Following that vote, Dictar Associates of Portland presented a proposal to the Housing Authority to develop the former Thunderbird Motel into up to 20 units of elderly housing. The proposed project together with a survey of the need for elderly housing in the Bethel Area was studied by the housing authority and in August they gave preliminary approval for the project to proceed.

Gould Academy Class of 1930 Prepares For Gala "Golden Reunion" Celebration

For Gould Academy's Class of 1930 Alumni Weekend this year marks the Big One—the 50th reunion, the "Golden Reunion". And plans are well underway to make it a gala event. The members of the class, locally and far and wide, have been contacted and enthusiasm is mounting for this significant gathering. The response on the part of those planning to be at Gould has been great and there is still time for those not heard from yet to sign up and get to Bethel.

For some statistics on the Class of the 32 who were graduated, 24 still answer the roll call. And of the 24, there are 17, thus far, signed up to be at the Big One. There are two who cannot make it to Bethel on the Day and there are five still undecided, including a member who now lives in San Diego, Calif. Another Californian (by present residence), George Parsons, a great athlete of the class—is already on hand in Bethel. So with 70% of the class committed continued on Page Eight

Greenwood City

Mrs. Colista Morgan, Corres.

This wasn't a June day but that couldn't have been better. I went to the woodlands and found nature's mood gentle and quiet. Softwinds fanned the trembling leaves by the path that wound deep into the green and breathless shade. Through the trees to the right the shadows flicked the water, as the sunbeams came and went.

I walked beneath the hemlocks, pines, and spruces, that stood proud in their everlasting green. My steps were slow, so I could enjoy their nodding with the breeze. It was nice to take time to take my share of beauty. It was free and there to serve every passerby.

The lacy ferns were so delicate, especially where the brooks had flowed in early summer but now have not even a trickle.

A few spikes of the great mull-ain stood tall. I moved on toward the ledges, where I saw the frills of lacy heads and fine-out bright green foliage, Queen Ann's Lace.

Although these ledges are not high compared to many I have climbed, I always enjoy sitting here and viewing the ponds and the valley.

One pond at this time is full of algar. As I looked across it, I could imagine that almost anything could appear. The muddy soup at the bottom, tepid with warmth contain the snakes, snapping turtles, and many other forms of life. Caisals, lilies, and other flowers rise from the top.

"Pale upon the sunlit pool the waterlilies lie. In the shadows, and the clouds of the reflected sky, And around the green isles of the leaves

The dragonflies in flight Set the air quivering with streaks of rainbow light."

Big Pond, dressed in jewels, sparkled and reflected the hills and trees.

I settled down in the shade of a tree and told myself, "This is my kind of day; the weather was made for me."

There were the drowsy hums of crickets, the soft swish of waves against the shore, and the ever changing colors of the water, while the sky reflected its clouds.

In a tiny sanctuary wild asters crowned the southern slope, asters brightly blue. A goldfinch came to light upon

the head of a thistle and gather its down. Cars sped along the road below me never noticing the rise of the sleepy top or the pond's splashy brink.

An hour had passed so I turned again toward the fern carpeted woodland floor to cross a rippling hill. I could hear buzzing insects, and chirping above the breeze. The balmy air was fragrant with the scent of many trees.

I climbed upward until I reached the Spring Road then went down hill toward home. I had watched a summer day, watched the clouds go by in the solitude of quiet hills, so carried home rich treasures to place with others in my memory box.

The Tamminen families had a gathering the latter part of the week. The following have visited at the home of Mr. and Mrs. Leonas Holt this week: Mr. and Mrs. David Holt, Dexter; Ann Holt, Bethel; Mr. and Mrs. John Cook, Vermont; Town Manager and wife of Woodland.

Mr. and Mrs. Ernest Mundt of Bethel were our callers one afternoon. Doris Hayes and I enjoyed a boiled dinner at the Day Home-stead on Thursday. Others present were: Avis Stelhorn, Louvie Coffin, Doris Slattery, Lyndell Farr, and the hostess, Lettie Brooks.

At the Hayes Homestead they had a "fish fry" on Saturday afternoon. Those enjoying it were: Mr. and Mrs. Duane Hayes and family, West Paris; Ardell and Betty Hayes, Auburn; Verna Libby, Falmouth; "Buster" and Lenora Waterhouse, Gorham; Terry Spire, Indiana; and Rolly and Doris Hayes.

Mr. and Mrs. Erwin Hayes and son, Hyde Park, N. Y., came on Sunday to stay for the week with their parents.

Saturday evening callers Mr. and Mrs. John Betts again invited friends on Hicks Pond to join them and their families for their ninth chicken barbecue at the Greenwood City Yacht Club at Bikini Beach. There was a good attendance and sports, music and fun for everyone.

The weather was perfect and the food delicious. I'm sure all of us say, "Thank you, John and Dot, and to all others who helped to make it a success."

Mr. and Mrs. Frank Curtis entertained Mr. and Mrs. Phil Bentley at a cook out on Wednesday.

meet at the Grange Hall for a regular meeting on Monday, Sept. 8, at 7 p. m.

Mrs. Beatrice Farnum was a dinner guest of Mr. and Mrs. Edward Chase on Sunday.

Mr. and Mrs. Reginald Glines, Jonathan and Joelyn, Danbury, N. H., and Mr. and Mrs. Arthur Ring, Donna and Alan, Freeport, were week end guests of their parents, Mr. and Mrs. Linwood Ring.

Friday and Saturday, Sept. 5 and 6, at 7 p. m. and at all services on Sunday, Sept. 7, guest speaker at the Baptist Church will be Rev. John Parschauer (Word of Life).

Sunday River

Mrs. R. M. Fleet, Corres.

Sent in by Eva Yates:
Well the holiday is past and its back to same old job. It's hot—humid and cloudy this Tuesday morning after a rattling old thunderstorm at 2:45. Peggy, Russell and yours truly donned the go-shoes last night and went to Bryant Pond to Franklin Grange for Gents' Night. Did not get home to get to bed till midnight—so our beauty sleep took a licking last night. Tonight is Pomona at West Bethel but we can't go—gotta make up that beauty sleep or who knows what will happen.

Lorna Lee Carter spent Monday with her grandmother, Peggy Blake, and had a lesson in sewing. They both had lunch with Joe and Eva.

Peggy Blake spent Sunday evening with friends in town. The three fisherman returned Monday after spending the week end in Rangeley—but—yep the big one got away.

Peggy Blake, Russell and Eva Yates were in Norway to see the doctors and on their way home called on the Lawrence Yates.

The next meeting of Bear River Grange #285 will be Sept. 13 and it will be installation of officers, with Rufford joining us at our hall. Chester Hayes of Winthrop Grange of Shelburne, N. H., will do the work. There will be the usual 6:30 pot luck supper. Please all officers try to attend and make it more interesting.

Thursday evening callers of Joe and Eva's were Verna Swan, Casey Swan, Benji Hoyt, Edwick Yates and friend and Mary and Paul Billings of Bryant Pond.

Mrs. Peggy Blake visited Emma Page and Roy Blake one evening this week.

Mrs. Betty Blake and Mrs. Peggy Blake had supper one night this week at the Spa then went for a ride up around the skiway on the mountain.

Loretta Merrill and son, James, visited her mother, Peggy Blake, Friday P. M.

Mr. and Mrs. James Sysko and two children were dooryard callers at Peggy Blake's Sunday P. M.

Although the weather looked anything but good Sunday, Mr. and Mrs. Emerson Merrill, Samantha and Rusty, of West Bethel; Mr. and Mrs. Gregory Adams and Robbie of Sweden; Mr. and Mrs. Bernard Hutchins of East Andover and Myrna and Lorna Carter and their exchange student, Dorie,

of Germany, and Eva and Russell Yates, all got together at Peggy Blake's camp for a final cook out before the kids all start school.

Games were played and all had a good time and left for home with that stuffed duck feeling.

Mr. and Mrs. Bryce Yates were home from the coast and attended Peggy Blake's cook out.

Edwick Yates, Lee Hindman and Eddie Swain left Saturday for Rangeley where they planned to spend the week end fishing and camping. We wish them the best of luck.

Hoover, Russell and Eva Yates have the promise to have hay cut this week. I think at this late date it will be like eating an old dry biscuit to the cows. Not much milk in it.

West Bethel

Mrs. R. M. Fleet, Corres.

Mr. and Mrs. A. R. Cummings and Mrs. Cleveland Lovejoy accompanied Mrs. Ray West and children to Berlin, N. H., on Wednesday to shop. Great Grammie Cummings got Rebecca a new dress for her first day of school.

Miss Ellen Lovejoy and her mother had dentist appointments in Norway on Thursday.

Ray West and his assistant, Dorothy West were working on the A. Cummings' new addition on Friday. They returned on Saturday and remained through Labor Day.

Miss Rebecca West had been a guest of her Grammie Lovejoy for several nights.

Sunday visitors at the Cummings was Mr. Cummings' cousins, Kate Packard and husband, Mansfield, of Waterville, and George Jordan of Locke Mills.

Mr. and Mrs. Alfred Lovejoy of Traverse City, Mich., arrived at his brother's, Cleveland Lovejoy's, on Sunday afternoon.

Mr. and Mrs. Jonathan Stowell, Melanie and Nathan, Shirley, Mass., have been recent guests of relatives in town.

Mrs. Arlene Dudley, Forest City, Fla., Mr. and Mrs. David Dunham, daughter Karen and young son, of West Paris, were Saturday callers at the Cummings.

Mr. and Mrs. Michael Stowell, Julie and Ray, Danbury, Conn., Suzanne and Michael of Lisbon, N. H., called on his parents, Mr. and Mrs. George Stowell, Sunday, after spending two days at Lancaster Fair.

The members of the Pleasant Valley Bible Church on the Flat Road had a busy day Friday when the large roof timbers were put into place; luckily there were no mishaps.

Labor Day was another work day for the all-volunteer crew with ladies furnishing the picnic lunch and some were assisting by passing the lumber to the men high above. It is expected that the roof will be on by Sept. 7. Pastor Bert Griffith of Otisfield was among the workers. There is now a new sign at the entrance of the church.

The Sunday service at 10 a. m. was well attended. Special music was a solo by Linda Stowell, accompanied by the organist, Ellen Lovejoy. Flowers were furnished by Elaine Hutchins and Harriet Stowell.

West Bethel

Mrs. R. M. Fleet, Corres.

Mr. and Mrs. A. R. Cummings and Mrs. Cleveland Lovejoy accompanied Mrs. Ray West and children to Berlin, N. H., on Wednesday to shop. Great Grammie Cummings got Rebecca a new dress for her first day of school.

Miss Ellen Lovejoy and her mother had dentist appointments in Norway on Thursday.

Ray West and his assistant, Dorothy West were working on the A. Cummings' new addition on Friday. They returned on Saturday and remained through Labor Day.

Miss Rebecca West had been a guest of her Grammie Lovejoy for several nights.

Sunday visitors at the Cummings was Mr. Cummings' cousins, Kate Packard and husband, Mansfield, of Waterville, and George Jordan of Locke Mills.

Mr. and Mrs. Alfred Lovejoy of Traverse City, Mich., arrived at his brother's, Cleveland Lovejoy's, on Sunday afternoon.

Mr. and Mrs. Jonathan Stowell, Melanie and Nathan, Shirley, Mass., have been recent guests of relatives in town.

Mrs. Arlene Dudley, Forest City, Fla., Mr. and Mrs. David Dunham

SCHOOL LUNCH MENU
 A. D. #44—WEEK OF SEPT. 8
 Monday: Hot dog in home made
 toss salad, applesauce, bread
 peanut butter, milk.
 Tuesday: American chop suey,
 green beans, peaches, hot cinna-
 mon bun, milk.
 Wednesday: Link sausages,
 mashed potato, beets, spice cake,
 bread and butter, milk.
 Thursday: Hamburg cheese pizza,
 potato chips, corn, fruit, milk.
 Friday: Salisbury pattie and gravy,
 mashed potato, peas and car-
 toffles, mixed breads and
 milk.

Fla., Mr. and Mrs. David
 Wham, daughter Karen and
 son, of West Paris, were
 on Thursday callers at the Cummings,
 Mr. and Mrs. Michael Stowell,
 and Ray Danbury, Conn.,
 and Michael of Lisbon,
 H., called on his parents, Mr.
 and Mrs. George Stowell, Sunday,
 spending two days at Lan-
 der Fair.

The members of the Pleasant
 Valley Bible Church on the Flad-
 ing had a busy day Friday when
 large roof timbers were put
 in place; luckily there were no
 haps.

Labor Day was another work day
 for the all-volunteer crew with
 the furnishing the picnic lunch
 some were assisting by pass-
 ing the lumber to the men high
 in the air. It is expected that the roof
 will be on by Sept. 7. Pastor Ber-
 neth of Otisfield was among
 workers. There is now a new
 at the entrance of the church,
 the Sunday service at 10 a. m.
 well attended. Special music
 a solo by Linda Stowell, ac-
 companied by the organist, Ellen
 rejoyed. Flowers were furnished
 Elaine Hutchins and Harriet
 well.

Andover

— Mrs. Marjorie Jodrey, Corres. —

The Andover Friday Club will
 hold its meeting on Friday, Sept.
 12 at 1:30 p. m. at the Library.
 It will be an open meeting and
 anyone interested in the Friday
 Club's activities is welcome.

Mrs. William Swan had the mis-
 fortune to break her ankle in a
 fall.

Mr. and Mrs. Glenn Fyberg and
 Mrs. Frances Nevel are spending
 a few days this week at the Nevel
 home.

Another Labor Day over, school's
 opening, can snow be far behind.
 It seems only yesterday that
 schools closed.

Arthur Myshall was worship
 leader at the First Congregational
 Church of Andover on Sunday,
 Aug. 30. The sermon topic was
 "Stress Without Distress". Choir
 rehearsals will be meeting on
 Thursday evening at 7:30 p. m.

Articles for the September news-
 letter should be forwarded to
 Evelyn Bell. Next Sunday, Sept. 7,
 is Rally Sunday. All children
 should attend to be enrolled in
 Church School which is going to
 have an exciting year of learning

Albany HUNT'S CORNER

— Kathy Bennett, Corres. —

The first of September has ar-
 rived and brought with it some of
 the hottest, humid weather of the
 summer! I'm certainly glad I'm
 not headed back to the classroom
 in this heat!

Mr. and Mrs. Steve Hoey and
 Mike and Michelle Imman were re-
 cent callers at the home of Hugh
 and Edith Stearns.

Mr. and Mrs. Albert McAllister
 had dinner on Saturday with Mr.
 and Mrs. Rodney McAllister.

On Sunday, Mr. and Mrs. Rodney
 McAllister had dinner with Albert

Kenyon had recently donated \$100
 to the Ladies Aid and that a pre-
 vious donation had been specified
 for fair or quilt. As the secretary's
 report had listed repair or quilt
 it will be necessary to check on
 the matter to clear it up.

As the building was being read-
 ded after the meeting, a young
 man came in asking for water and
 bandage as he had fallen from his
 motorcycle. Marian, a nurses aide,
 fixed him up with repairs.

Laurie & Joseph Bergeron spent
 the week end at her parents' home.
 She brought several chorus leaflets
 from the Mt. Blue Assembly of
 God Church for use during ser-
 vices here.

The selectmen received four
 bids for the school bus ranging
 from \$350 to \$2,000. The highest
 bid of \$2,000 from the Northern
 Waters of Errol was accepted.

A paint and needlework craft
 party will be held at Grammie's
 Sept. 11 at 1:30 p. m. A hostess
 will be chosen from among the
 guests to receive a hostess award.
 Everyone welcome.

Northwest Bethel

— Clarice Gibson, Corres. —

Tuesday after Labor Day and
 the air is hot and humid. Early
 this morning we had thundershow-
 ers which seemed to be coming at
 us from two or three different
 directions. For ages it was an il-
 luminating display of lightning,
 followed by rolls of never-ending
 thunder (at least it seemed never-
 ending). Poor Smoky (one of our
 dogs) jumped onto the bed and
 laid on the covers between Frank
 and I. We could feel his trembling
 and after a real bad clap, he
 would jump down, walk around
 and then jump back—as much as
 to say where should I go to. Evely-
 n Hillborn said that her dog was
 the same way.

As this goes to press, school
 will be starting once again, so
 remember those little ones that
 will be waiting for the bus.

Aug. 20 to 23 Mr. and Mrs. John
 Monahan went to Muscongus Bay
 which is near Boothbay Harbor.
 Mr. and Mrs. Dick Angevine,
 Sheri, Kristy and Timmy Angevine
 went to Colebrook, N. H., to visit
 Dick's uncle, John Angevine and
 family, Monday.

Mr. and Mrs. Steve Anderson
 and two boys and Mr. and Mrs.
 Stewart Cross and Studie went
 Saturday and Sunday to the Bath
 area, camping. They also went out
 in Cross's boat, fishing for tinker
 mackerel and bluegills.

Doug Smith of Cape Cod,
 Mass., spent the long week end
 with his parents, Mr. and Mrs.
 Homer Smith and Andy.

Mr. and Mrs. Bruce Smith and
 two children, visited his parents,
 Mr. and Mrs. Homer Smith Jr.,
 Sunday, and Matthew spent the
 night.

The Homer Smiths have word
 that SP4 Dennis Smith has reached
 his destination in Germany.

Bill Mills will be starting in work
 on this week.

Wednesday Mr. and Mrs. Frank
 Benson went to Augusta to cele-
 brate their son Frank Jr.'s birth-
 day, for dinner, Sylvia and
 Carol went to Windthrop and had
 an enjoyable time in the gym shop.

Thursday Sylvia Benson with
 daughter Sharon Kimball and
 granddaughters Anita and Chan-
 el, spent an enjoyable day at Old
 Orchard Beach.

Mrs. Evelyn Hillborn left her
 home about six Thursday morning
 and on the way to Gilead came
 across a huge black bear crossing
 the road about a mile from her
 house. Then Sunday morning just
 outside Locke Mills, she saw a
 beautiful deer. Sunday Mr. and
 Mrs. Clayton Sweat dropped in
 for an hour or so on Mrs. Hillborn
 and Ellen at the camp in Gilead.
 Friends from Connecticut also
 dropped in at the Gilead camp and
 they all enjoyed a spaghetti din-
 ner.

Have been told that the old Ma-
 son place has been sold by Ray-
 mond Chapman to one of the Howe
 boys from East Bethel.

Aug. 20, Mr. and Mrs. Ernest
 Angevine entertained Mr. and
 Mrs. Avery Angevine and Betty

SENIOR CITIZENS TO MEET

AT RUMFORD POINT SEPT. 10

The Bethel Senior Citizens will
 hold their regular monthly meet-
 ing at the Rumford Point Church
 on Wednesday, Sept. 10, beginning
 at 11 a. m. A business meeting,
 luncheon and a program are plan-
 ned. The birthday cake will be
 furnished by Mrs. Maggie Lowell.

grandparents are Mr. and Mrs.
 Frank Murphy who went to see
 her Saturday.

Eleanor Smith of East Stoneham
 visited Ruth Butters Sept. 2

We have had a busy week. The
 26th George took us to Frank,
 Grace and Teresa's where we had
 a lovely birthday dinner and an
 anniversary cake for our 30th an-
 niversary. Wednesday, my nephew
 Ben Tucker III, Andy and Ben IV
 came for supper. Thursday, Dad,
 George Allen, came for supper, as
 Mom was operated on for gall-
 stones. After Mom got back to
 her room at Stephens Hospital,
 Dad came up. Saturday we went
 down to hospital and supper with
 Dad. Sunday we had Mr. and Mrs.
 Frank Aylward for dinner and af-
 ter dinner George went to Canton,
 to visit Uncle Danny and family.
 Monday Frankie was here for din-
 ner and our son, James and wife
 Sue and friend Brent Bagley, all
 of Andover, Mass., came. Monday
 was James' birthday and their
 first wedding anniversary.

Mr. and Mrs. Alden MacDougall
 took their daughter, Lea, to UMO
 to begin her studies and came
 back Saturday. Tuesday, Jimmy
 left for his studies at Manchester,
 N. H.

 Mere words can never express
 the gratitude we feel toward so
 many who lent a helping hand
 during our recent bereavement.
 We wish to give special thanks to
 Dale Thurston for his words of
 comfort, to our friends and neigh-
 bors for the food and acts of kind-
 ness, to all who sent the beauti-
 ful flowers and cards, to Maude
 Harrington for her special help,
 to the Selectmen and employees
 of the town, to Greenleaf Funeral
 Home and to everyone at the Beth-
 el Health Center who tried so
 hard. Thank you and God Bless
 You all.

WEST BETHEL UNION CHURCH HELD OLD HOME DAY AUG. 31

West Bethel Union Church held an Old Home Day Sunday, Aug. 31. There were 126 people attending. Morning worship was led by Rev. David Samuelson. Four children were baptized and two members were taken into the church. The choir under the direction of Cathy Littlefield, sang and also Bill MacArthur.

After church, a picnic lunch with bean hole beans, corn on the cob, plus goodies brought by everyone, was enjoyed. Maggie Lowell, 90, was 94 Tuesday, Sept. 2, was honored with a birthday cake. After the picnic, games were played by young and old.

A musical program began at 1:30 with 32 attending. Bill and Ralph MacArthur sang duets. The choir led by Cathy Littlefield sang a few numbers with the congregation joining in and Cathy sang and played her guitar. Arthur Head played the harmonica and Jayme Poppy and her mother sang a duet. Rev. and Mrs. Samuelson spoke a few words of farewell, as this was their last Sunday at the church. The program closed with everyone singing "Blessed Be the Tie that Binds" and "The Lord's Prayer" was said. Watermelon was served after on the lawn.

SENIOR CITIZENS ENJOY VISIT TO HISTORIC YORK SITE

On Wednesday, Aug. 27, 42 senior citizens from the Bethel area enjoyed a bus trip to York to visit several historic places. On the way they stopped for breakfast and upon arriving in York were served a delicious luncheon by the ladies of the United Methodist Church.

They toured the 1740 Emerson Wilcox House and the Old Gaol, now a museum, which was built in 1653; also visited an old burying ground and visited Nubble Light at York Beach. Another interesting highlight of the trip was a stop at the Goldenrod Restaurant, famous for its home made candy kisses and home made ice cream.

Rev. Millett Cummings was tour guide and also arranged the dinner at the Methodist Church. Thanks to Mr. Cummings, every one had an interesting and very enjoyable day, which also included a stop for supper in South Paris on the return trip.

PARIS HILL RESIDENT RECEIVES MORTON PAINTING

The winning name drawn at the Lajos Matolcsy Art Center, Norway, on Sunday, Aug. 31, was Mrs. Winnie Drag, Paris Hill. She will receive the oil painting "September on the Androscooggin" donated by Helen A. Morton, Newry. All contributions received from this project are used to promote the Western Maine Art Group's summer program of continuous art and crafts exhibit at the Center.

SENATOR WILLIAM COHEN From Washington

Before the 96th Congress concludes its business this fall, the Special Committee on Aging, on which I serve, will hold hearings on how best to preserve the fiscal stability of the Social Security System. The future of Social Security will be one of the crucial issues facing the next Congress when it convenes in 1981. Because the issue will be a complex and emotional one, it is important for the Aging Committee to lay the groundwork for the debate now.

The hearings will focus on two major areas: the projected financial crisis, and long-range planning of revisions in the Social Security System that will make it solvent once again. If Congress decides that comprehensive legislation is required to strengthen the system, then these hearings will become the first chapter of the examination.

Just three years ago, Congress passed legislation in the hope that the problems afflicting the system would be solved. Our hopes in Congress have proved to be optimistic. Inflation has taken its toll on the financial stability of the system since Congress acted.

Even under the most optimistic economic assumptions, the Social Security System cannot withstand the strains that will result in the short-run. Although large Social Security tax increases were approved in 1977, they will not be enough to keep the system solvent unless the nation's economy improves dramatically.

When we begin to examine the Social Security system, we must take the economy into account. We must almost remember that population patterns are in a period of great change. People now live longer and retire at earlier ages. Today, there are more than three workers contributing to the system for every person receiving

WALKING WITH JESUS CHRIST

Throughout the ages the Holy Bible has given comfort, strength, and hope to countless men—written in more languages than one could guess—it has remained true to God's Word as originally given to men inspired by God. (2 Tim. 3:16). There is ample proof of the workings of God in men's lives who have made prayerful, reverent study of these prophetic scriptures.

In recent years revelations in archaeology have sustained—as if the Bible needed it—the thoughts of men as they meditated on the Bible.

The discovery of the Dead Sea Scrolls delighted the hearts of men—Bible students—to find age old scripture confirmed the correctness of our Holy Bible as we have it even today—namely the King James version.

The 1975 discovery of the over 4,000 year old library at the middle east site of Elba has its profound implications—particularly regarding the ancient origins of Syria and Israel.

These 1980's are special to man—one has but to hear such as Billy Graham confirm the words of others to know, that much, if not most of Bible prophecy is being rapidly fulfilled and that tokens of the swift coming again of Christ are evident—i. e.—to gather up his own. "Therefore let us not sleep, as other's do; but let us watch and be sober." I Thess. 5:6.

It is said that next to the Bible—John Bunyan's, "Pilgrim's Progress" is best seller. Printed some 300 years ago, it attests to the fantastic power of the Word—God's Word—as it relates to the Bible—the King James version.

There are more than sufficient passages in the Bible to prove the seriousness of our times as we live.

benefits. By the year 2030, that ratio will have shrunk to two to one.

A number of proposals have been suggested for strengthening the system. These include increasing Social Security taxes, allowing the Medicare portion to be paid by general tax revenues, cutting back benefits, and providing universal coverage.

Certainly none of these proposals alone could resolve all our problems with Social Security. Yet, it will be difficult to reach a consensus on what path to take to save the system. In my judgment, we owe the American people a system that is secure that provides a standard of benefits that offers real assistance to retirees, and one that is fair to those who pay into the system.

The Aging Committee's hearings will provide an important forum for early consideration of some of these alternatives. The Committee's report can serve as a basis of thoughtful and truly effective recommendations for future legislation.

It is my hope that the 97th Congress will address the legislation as it should be: from an economic rather than political perspective. The Social Security System can no longer be the vehicle of passing politically popular benefits to the American people when, in fact, many of those benefits wreak economic havoc with the system. Our commitment in 1981 must be to make the system work as it was originally designed to work.

COHEN INTRODUCES SENATE RESOLUTION CALLING FOR WOOD TAX CREDITS

Senator Bill Cohen (R-Maine) recently introduced a concurrent resolution in the Senate expressing the sense of the Congress that efficient wood-burning heating systems be made eligible for energy tax credits.

Under both the Energy Tax Act of 1978 and the Windfall Profits Tax Act, the Secretary of the Treasury was given authority to designate wood-burning stoves and furnaces as eligible for residential energy tax credits, Cohen said.

"Unfortunately, despite continual pleas from members of Congress and the apparent support of the administration, the Department of the Treasury has chosen not to act on this matter," Cohen said in a statement delivered on the Senate floor.

"I find this reluctance and lack of commitment on the part of the administration rather dismayed, especially in light of its public appearance of support," Cohen added.

In his energy address to the nation in April 1979, President Carter specifically requested that Congress enact a tax credit for wood-burning stoves. Together with other New England Senators, Cohen successfully amended the Senate version of the Windfall Profits Tax to include energy tax credits for wood-burning stoves and fur-

naces. The provision was eventually removed in conference between the Senate and the House.

"Providing a limited tax credit for wood-burning systems is entirely consistent with the national objective of replacing imported oil with available energy resources," Cohen said.

Wood is New England's most abundant resource, with 30% of the region covered by forest. According to the Department of Agriculture, firewood provided 10% of the total heat in owner occupied homes in New England during the 1978-79 winter. In Maine, homeowners burned 29% of all wood burned in New England, second only to Massachusetts where residents burned 29% of all wood used in the region. The Energy Task Force of the New England Congressional Caucus concluded in a recent report that 50% of Maine's winter energy needs could be met by wood.

Cohen said that wood tax credit would aid low- and middle-income families in meeting the cost of conversions to wood heating systems.

"To achieve a greater independence of imported oil, we must aggressively develop renewable and available resources such as wood," Cohen concluded.

Maine's First District Representative David Emery (R-Maine) introduced the concurrent resolution in the House of Representatives.

The Week in Washington

by Sen. George J. Mitchell

Increased pay for Veterans' Physicians

Last week, I joined my Senate colleagues in a unanimous vote to override a presidential veto of a bill to provide increases for Veterans' Administration physicians.

Since the House also rejected the veto, the measure will now become law.

The Senate passed this measure unanimously in June this year because of clear evidence that improvements are needed in the compensation of VA physicians.

Unlike their counterparts in private practice—and in the military service—VA physicians' pay has been frozen for several years. At the same time, the demand for VA medical services has not slowed, and VA physicians are serving more veterans than ever before.

I supported the veto override because it is clear that a crucial component of our veterans medical care system is the quality of the health personnel serving them. The Senate Veterans Affairs Committee has found that the percentage of Board-certified physicians in the VA fell from 49% to 45% between 1978 and 1979. At the same time 2,166 of the 6,221 full-time VA physicians in 1979 were graduates of overseas medical school; and even more VA physicians are moving to part-time work in the VA system, rather than remaining on full-time employment. All these factors contribute to the need to make service in the VA attractive enough to retain and bring in quality health professionals.

The Congress has taken a number of actions in recent years to upgrade medical care for veterans and to respond to the special needs of Vietnam-era veterans. The establishment of conditions which will encourage high-quality health professionals to join the VA is a vital component of that effort.

Medicine today is increasingly complex and specialized. Without the highly-trained professionals who can bring the best of modern medicine to our veterans, no amount of money for improved hospital facilities will provide them up-to-date, adequate care.

The nation's commitment to those who serve us in time of war, at the risk of their lives, is one which must be fulfilled. The demands on federal resources are enormous, and they are growing. We have an obligation to make certain that every expenditure is targeted precisely to achieve its goals. The legislation to provide incentives for retaining VA physicians is carefully designed to achieve its goal, and warrants our support.

The Congressional action to ensure that this bill becomes law stems from our national commitment to maintain a system of medical care for our veterans which is second to none, and whose primary goal is their well-being and continued health.

Excerpt from Telstar R. H. S. Student Handbook - 1980-1981

TELSTAR REGIONAL SENIOR HIGH SCHOOL ATHLETIC REGULATIONS

The following regulations will be announced by each coach to his full squad at the first team meeting of the season. These regulations will be strictly enforced by all members of the coaching staff, at all levels, for both male and female participants.

1. Athletes smoking, using alcohol, or drugs will be referred to the principal and penalized according to the R.H.S. school board policy as stated earlier in the student handbook.
2. Athletic participants reporting late or missing practices or contests without a reasonable excuse will be appropriately disciplined by the coach.
3. Teams traveling "out of uniform" to a contest must be neat in appearance.
4. Players who fail to conform to reasonable rules of conduct as members of an interscholastic athletic team in the athletic facilities, or locker rooms will be disciplined by the coach.
5. The coach will notify both the Athletic Director and principal in writing, by noon of the first school day following the date of a seasonal suspension of any athlete.
6. The use of any glass containers in the locker room is prohibited.
7. Coaches will instruct team members on good health habits, including proper sleep and diet, and, if necessary, will counsel team members on proper study attitudes, and habits.
8. Teams riding on buses will follow the same bus regulations as all riding students.
9. There will be no metal cleated shoes or spikes worn in the locker room or on the bus.
10. Students suspended from school cannot participate in any school function.
11. A student cannot participate in either a game or practice unless he has been legally present for the school day, or unless his absence has been excused by the school principal. (Doctors, dentists appointments are examples of legal excuses.) A team member who is illegally absent from school on a day prior to a game or practice will not be allowed to participate.

HARVARD PROFESSOR DISCUSSES OCCUPATIONAL HEALTH

How does ten years of working in a pulp and paper mill affect a worker's health. This was one of the questions examined by Dr. Ferris in his lecture at the Bethel Public Library on Wednesday, Aug. 27.

Dr. Ferris is a professor of environmental science at the Harvard School of Public Health. His talk was the first of three lectures to be presented this year as part of the Bethel Area Health Center's lecture series. These seminars are supported by a grant from the National Health Service Corps.

Dr. Ferris discussed the results of a 10 year health survey he did at the paper mill in Berlin, N. H. Later in the seminar he talked about both the health effects of industrial air pollution and the health hazards in wood working and wood finishing industries.

The next seminar in the Health Center's lecture series will concern home health care for the terminally ill. It will be held this September.

WANTED—Responsible local fe-

SPECIAL TOWN MEETING TO BE HELD TUESDAY EVENING, SEPT. 9

continued from Page One
will be present at the meeting to answer questions about the proposed project.

If town meeting approves the project, the developer will still have to comply with the Town's subdivision regulations which are administered by the Planning Board.

Article 3. To see if the Town will vote to appropriate a sum not to exceed \$37,000 for the purpose of providing the Town's share of the Chapman Brook Bridge Reconstruction Project and to authorize the Selectmen and Treasurer to borrow funds up to that amount and determine the terms of repayment.

In 1978, following an inspection of the Chapman Brook Bridge, the Town was informed that the wooden deck of the bridge was in bad shape and that the abutments would need substantial work in the next few years.

Following that inspection, the municipal officers spend considerable time in reviewing alternatives for correcting this problem. In early 1979, the Town, due to the anticipated costs of dealing with the overall problem, asked the State for assistance.

As part of the State's review of the Town's request, they made a detailed inspection of the bridge in the summer of 1979. This inspection indicated the need for immediate replacement of the wooden deck to allow the safe passage of school buses and large trucks. The State also informed the Town that reconstruction of the bridge using state and local funds could not be undertaken in 1979. As an interim measure, the town replaced the wooden deck at a cost of approximately \$3,000 in the summer of 1979.

Knowing that this was only a short term solution, the Town continued discussions with the state and in May of 1980 the state presented alternatives for replacing the bridge. The final two alternatives were the replacement of the bridge with two pipe arch culverts or a concrete single span bridge.

After considering both alternatives in relation to problems with high water and ice in that location, municipal officials felt that the single span concrete structure was the best alternative. Another factor in the decision was that with culverts, the road would have to be raised about five feet to allow sufficient space for water flow and sufficient cover material over the culverts.

In July, the State held a public hearing on the project at the site to explain the project and answer questions. Several area residents participated in this hearing. At the hearing state officials indicated that the estimated cost of the project would be up to \$185,000 with the federal government providing \$111,000, the state \$37,000 and the Town \$37,000.

Given that when federal and state funds are involved a project usually costs more, the Selectmen considered the impact of the town doing it alone. After considering that engineering assistance would have to be obtained and that the project would have to be done by contract instead of with town forces, it was estimated that costs to the local taxpayer would exceed \$100,000 with the exact figure dependent on when work was undertaken.

Given the fact that state and federal funding is drying up and that construction costs are increasing at a rate of 10% or better each year, the Selectmen and Budget Committee recommend that the Town undertake the project at this time. As the new bridge would have a projected life of 50 years+ with minimal maintenance, both groups feel the postponement of such work would have a much more adverse effect on the property taxpayers of Bethel.

Article 4. To see if the Town will vote to accept Chandler Terrace as a Town Road.

This proposed Town Road is part of Section "B", Swain and Cross subdivision off the Chandler Hill Road, the road has been constructed by the developer in accordance with local road design and construction standards and has been inspected and approved by the Planning Board, Board of Selectmen, and Road Commissioner. Acceptance of the road is recommended by the Selectmen and the Budget Committee.

Articles 5-8. To see if the Town will vote to purchase a parcel of land (part of the Murphy lot, so

called, off Bridge Street) containing 16.78 acres at a cost of \$33,000 and if it is decided to purchase the land, to decide how such a purchase would be financed.

In response to citizen comments and feelings indicated in the community recreation survey in 1975 and the Planning Board needs survey in late '76 and early '77, the Recreation Board and Board of Selectmen have been looking for land in the village area that could be used for future recreational facilities. Many parcels have been reviewed and discussed, with the proposed Murphy parcel being seen as desirable from several standpoints. The area is large enough (16.78 acres) to provide for various activities whereas a smaller lot would have a more limited use and the lot provides access to the Androscoggin River which in the future may play a major role in recreational activities.

In addition to possible recreation uses, the lot borders on the present Town Garage lot and thus a portion of the lot could be used for future public works needs.

In considering this purchase, it needs to be made clear that although various alternatives for the property are mentioned, no specific plan for development of the parcel has been made. Should the purchase be approved, the Recreation Board, Planning Board, Selectmen and citizens would be involved in the planning for development of the parcel. Any specific development activities would need Town Meeting approval.

In considering the purchase, two alternatives are available for funding the purchase: (a) Total town funding of the \$33,000 purchase or (b) Town funding of \$22,000 and Bureau of Parks and Recreation funding of the remaining \$11,000.

The Board of Selectmen and Budget Committee are recommending the purchase through Article 5 and total town funding through Article 6. The reason for this recommendation is that by using Federal funds, the following strings are attached: (a) Retention—the land must remain in public ownership for outdoor recreation purposes; (b) Operation—facilities must be operated to allow use by the general public without discrimination; (c) Maintenance—facilities must be maintained in a manner so as to be attractive and inviting to the public; and (d) Use—the basic use as approved in the project may not be changed. Both the Selectmen and Budget Committee feel that if the land is purchased the town should have total control of any future use including the right to sell if it so chooses. They feel the small amount of financial assistance would not be worth the strings attached.

To recap action in the four articles: Article 5 is to see if the town wishes to purchase the property. If article 5 is passed, article 6 is to see if the town wishes to finance the total cost or part of the cost (\$22,000) and apply for federal assistance of \$11,000 through article 7. In other words, if article 5 passes and the town chooses to finance the total pro-

ject in article 6, articles 7 and 8 should be defeated. If article 5 passes and the town chooses to fund part of the project \$22,000, then article 7 (to apply for federal funds) and article 8 authorization to borrow in anticipation of these federal funds would need to be passed.

Article 9. Shall an ordinance entitled "Town of Bethel — Dog Control Ordinance" be enacted. This proposed revision of the town's present ordinance adopted in 1971 is an effort to respond to the many and various citizen complaints received by the Town Office, Selectmen and Dog Officer for which there is no local ordinance or state law to enable action to be taken.

Specifically, the ordinance would make it unlawful for the owner of a dog to cause or permit such dog to disturb the peace of any person through continued barking or howling, would make it unlawful for the owner of a dog to cause or permit such dog to damage or destroy property of any person; and make it unlawful for the owner of a dog to cause or permit such dog to urinate or defecate on private property, not owned by the owner of the dog, without permission of the owner of such private property.

Other sections would enable the town to recover costs of picking up dogs running at large and transporting them to impoundment and set higher penalties upon conviction of a violation of the ordinance. Copies of the proposed ordinance are available at the Town Office.

Articles 10 & 11. To see if the Town will vote to purchase a parcel of land between the Ferry Road Crossing and the former Cemetery Crossing in West Bethel for Town Road right-of-way at a cost not to exceed \$6,000 and to appropriate an amount not exceeding \$6,000 for the purchase and to authorize the Selectmen and Treasurer to borrow funds up to that amount and determine the terms of repayment.

In response to the many accidents at the Ferry Road Railroad Crossing over the years and the number of fatalities at the location, the Town has worked hard to have the crossing upgraded with signals and gates. As part of the Dept. of Transportation order to upgrade the crossing, the Cemetery Crossing was closed.

The section of road between the two crossings has long been used by the public but has not been a Town Road. The narrow traveled way is rough with drainage problems and runs across private property and the railroad right-of-way. In past years the Town has graded the road and plowed it during the winter but no other maintenance has been done. This section needs to be rebuilt with adequate drainage to provide safe traffic flow in the area. In order for minor realignment to be made in the road as well as providing for adequate drainage right-of-way must be acquired by the Town.

Article 10 asks the Town to con-

sider the purchase of a 33 foot road right-of-way between the two crossings at a cost not to exceed \$6,000. Part of the cost is attributed to the necessity to compensate the owner of a garage located within the proposed right-of-way. Also included in the proposed costs are legal costs related to the purchase.

Article 11 asks the Town to appropriate funds not exceeding \$6,000 for the purchase and to authorize the Selectmen and Treasurer to borrow funds up to that amount and determine the terms of repayment.

This special town meeting will be considering several issues which will be extremely important to the town in the future and all voters are urged to attend and participate in these important decisions. If anyone has any questions or would like to discuss any of the articles, please feel free to contact the Town Manager before the meeting.

Far away in Heaven, that beautiful land above
You walk with God our Savior,
protected by His love.
You talk of all your memories and share them with His Grace
And tenderly reserve for each of us a happy peaceful place.
For we will all be joining you on some sweet distant day
Renewing our life together with God to guide the way.
Our happy times we'll live again,
our love will flourish there.
Free from parting, worries, pain and all the worldly cares.
For God created Heaven to reward us at the end.
To bless and love and keep us when we finally meet again.
To those of you who have a granddaughter, cherish her with care
You will never know what sorrow is until she is not there.

We all felt sorry in reading of the sudden death of George Putnam, Turner. Our sympathy is extended to the family. He and Mabel have visited our Grange real often and we shall miss them dropping in.

Mrs. Esther Davis and mother, Mrs. Mary Brown, were in Livermore Falls Monday on business. While there they called on a sister in law, Mrs. Methy Brown, Mr. and Mrs. James Whittemore, Mr. and Mrs. Don Brown, Mr. and Mrs. Kenneth Pike. They had supper with Mr. and Mrs. Pike before returning home.

Mr. and Mrs. Carl Brooks invited Mrs. Marion Mayhew and me to go to South Portland with them Tuesday, where we visited with Belle Huden, who is in the South Portland Nursing home. This was Belle's birthday so we took some gifts to her. She is 93 years young. A friend came in with a birthday cake and drinks. She took us all to the dining hall and a little party was given Belle which made the day for her.

Lettie Brooks entertained the retired teachers at the farm on Curtis Hill Thursday. Colista Curtis Morgan assisted her as co-hostess in entertaining the teachers.

Frank Campbell took his daughters and families to Lewiston where they shopped for school clothes for the children.

It hardly seems possible that summer is about over and the kids are heading back to school. Time and tide waits for no man. Isn't that what they say?

Bruce Clements injured his knee Thursday while playing ball which is painful.

Mrs. Nicholas Clements was in South Portland shopping Friday. I called on Helen Chute at the

Superintendent's Newsletter

Dr. Wayne F. Gersen
Drug and alcohol abuse among teenagers is the most complex, pervasive, and frustrating problem facing the parents, communities, and educators in S. A. D. #44 today.

Drug and alcohol abuse is a complex problem. The reasons a student tries marijuana or sips a drink are most often related to a need to escape from reality, a need to conform to a group, or a need to establish an identity apart from his parents. To a teenager, meeting these needs is often far more important than preparing for college, earning money, or pleasing adults.

Drugs, particularly marijuana, are used by people at all levels of society and by all age groups. Alcohol is available to teenagers despite the law limiting the sale of alcohol to 21 year olds. Older friends often purchase the beer and liquor for week-end parties. Furthermore, well-intentioned parents will often serve alcohol at private parties to make certain that their teenagers and daughters are not drinking and driving.

Drug and alcohol abuse is a frustrating problem. Drug and alcohol use is clearly dangerous, clearly illegal, and clearly eroding the potential of many students in our communities, our state, and our country. Yet despite these negative factors, drug and alcohol use is becoming increasingly socially acceptable. Somehow, students are thought abnormal if they don't want to try a joint. Somehow, an event like homecoming, winter carnival, the prom, or homecoming is not complete without a keg of beer or mixed drinks. This social acceptance of drug and alcohol use is frustrating and frightening.

As the above paragraphs indicate, the problem of drug and alcohol use among teenagers is not solely a school problem—it is a community problem and a social problem. And, as the above paragraphs imply, the problem of drug and alcohol use has no easy solution.

S. A. D. #44 will attempt to address this issue in the coming year by implementing the drug and alcohol abuse units of its K-12 Health curriculum, by continuing to make it difficult for drug trafficking to occur during school hours, and by exploring the possibility of seeking funding for a community drug-alcohol team similar to those in Rumford and South Paris. Obviously, the implementation of curricular, the increased vigilance by administrators and staff, and the possible creation of a task-force will not make the drug and alcohol problem vanish. It will, however, help, and, if we in S. A. D. #44 can work together with concerned parents and

community members, we may make some noticeable progress in this area of concern.

North East Lovell

Pauline Smith, Corres.
Mr. and Mrs. John S. H. Carter, son Andrew and daughter Beath Ellen, returned to Virginia Sunday.

Mr. and Mrs. Stephen Hinder, son Mark, from South Portland were here at their camp this long week end.

Iva Fox took care of Joseph, son of Rose M. and Ken Smith for the day; also Troy and Raymond Fox.

Callers at the Smiths and Kendalls this week were: Beverly Josephine, Mr. and Mrs. Bertwell of Massachusetts; Iva Fox, Ada Malia, Webster McAllister of Portland, Mr. and Mrs. Donald Bond of Missouri. Forty some years ago Don Bond was in the United Farish, working with the young people. He is now retired, Mr. and Mrs. Kenneth Smith, North Fryeburg, also called.

Leroy and Pauline Smith visited our neighbors, Joan and Bob Cope, the Carl Estes, Tuesday night, Ada Malia stayed with Marion Kendall.

Our neighbor Givivra Charles fell and broke her hip. She is at the Bridgton hospital. Would appreciate cards when she feels better.

I suppose you had a dozen roses given you, but I had two dozen, mixed colors. They were beautiful, from friends in South Portland.

As our regular minister, Rev. Rick Barr left, Rev. Willard Bickel is preaching until we are able to get a new all round minister.

We had a full church Sunday. Kay Spangenberg did the solo. Our guest minister, Rev. Horobitt, who has been in Lovell 30 years in all.

FIRST MEETING OF TAXPAYERS ASSOCIATION WELL ATTENDED

Meeting Again Tonight (Sept. 4) at Telstar Regional High School

The meeting last Thursday evening of the Bethel Taxpayers Association was well attended and the 45 persons present adopted two articles.

The first article stated the goal of the association to be "the Bethel Taxpayers Association shall assist in providing for a long term stable economic climate for the Town of Bethel and shall consolidate various concerns of the citizens in order to present them to the municipal officials in a responsible manner."

The second article deals with the formation of a board of local citizens whose interests are representative of housing (new, old, mobile), land (farm, forestry, commercial, recreational), business (retail, service, industrial, tourist), elected and/or appointed officials (planning, recreational, school, municipal, state).

Nominations of persons to serve on the board will be held at the next association meeting Thursday evening, Sept. 4 (tonight) at 7:30 at Telstar Regional High School.

The greater portion of the meeting addressed the problem of the new valuations placed on mobile homes. Methods of approach to the problem were discussed and the associations concerns were voiced.

David Bicknell of Augusta, president of the Manufactured Housing Association and Institute for the Northeast (Maine) spoke on mobile home valuations in general, work being done in Augusta and the positive aspect of a taxpayers association in dealing with problems as they arise and the methods of redress in a situation such as valuation changes.

The next meeting will deal in more detail with the current concern and also the special town meeting that will be held Sept. 9. Two members of the association were invited to the budget meeting on the articles up for vote and they will report on the meeting.

All citizens of the town are invited to attend the Thursday evening meeting at Telstar Regional High School.

Mrs. John Mills, Corres.

Reminder: There will be a meeting of the Greenwood Fire Department Auxiliary on Monday, Sept. 8, at 6:30 p. m. at the fire station.

Correction: The church supper netted almost \$300, not \$200 as reported last week.

Mr. and Mrs. Allan Howe (Diane Seames) are received congratulations on the birth of a daughter, Monday, Sept. 1, at Stephens Memorial Hospital, Norway. She weighed 5 lbs., 3 oz., and was named Rebekah Ann. She joins siblings Andrea, Dustin and Alyssa. Sharing grandparents are Mr. and Mrs. Peter Seames, Twitchell Pond, and Mr. and Mrs. Rodney Howe, East Bethel.

Mrs. Cora Bennett celebrated her 88th birthday Tuesday, Sept. 2. The North Pond Sunfish Association held a regatta on Sunday, Aug. 31, with five boats competing, including Bob Kaplin, John Ramsey, John Gauthier, Bruce Austerling and Blaine Mills. Next Sunday, Sept. 7, at 1 p. m., the last North Pond race will be held and on Sept. 14 the race will be at Lake Christopher at 1 p. m. This will be the last race for this season.

Mrs. Bertha Flanders was dinner guest Sunday at the cottage of Mr. and Mrs. Edward Gaudet. Mr. and Mrs. Charles Morse and Darren were also guests there.

Mrs. Gladys Jordan was a supper guest of her sister and family, Mr. and Mrs. Lester Cole and Charlotte, Tuesday.

Mr. and Mrs. Harry Swan Jr. and Todd spent Aug. 27 through Sept. 1 camping at Wilderness Campground in Norway.

Blaine Mills was pleased to be guest of honor at a surprise party, hosted by Mr. and Mrs. Bill Riley in behalf of the Sunfish Association, on Saturday evening. Approximately 35 were in attendance.

Mr. and Mrs. James Libby and daughter returned to Bangor after visiting friends and relatives during the month of August.

Mr. and Mrs. Robert DeNormandie and Jon, Norwood, Mass., spent the week end at their home in Greenwood Center.

Mr. and Mrs. Christopher Smith and Naomi, Southington, Conn., came Thursday and spent the long week end with his grandmother, Mrs. Lillian Lapham.

Elwin Cole and daughters were Monday visitors of his parents, Mr. and Mrs. Lester Cole. Mrs. Eva Mills and a friend were callers at the Coles on Saturday.

Gary and Esther Fuller entertained with cook-outs over the week end. Those present were Chris and Nancy Fauser, Florida; Connie and David Gatz, Dresden; Judy Preble, Nancy Lowery, and

M. S. A. D. #44 HEALTH EDUCATION PROGRAM RESUMES WITH YEAR START

School reopens on Thursday, Sept. 4, and with it the S. A. D. #44 Health Education Program resumes. This year begins with a new, complete K-12 Health Education curriculum, and thanks are expressed to the parents, teachers and other community members who worked on the curriculum committee over the past two years.

School district personnel who are members of the Health Education Committee met on Tuesday morning, Sept. 2, at Telstar. At that time they discussed the goals and objectives of the Health Education program for the coming year; recruitment of community members for the Health Education committee; and the program for a teachers workshop to be held on Sept. 24. Community members with an interest in the Health Education program should contact Mary Ann O'Connor, Health Education Coordinator for S. A. D. #44 at 824-2582.

NEWS FROM M. S. A. D. #44

ADULT EDUCATION PROGRAM

S. A. D. #44's Adult and Community Education will jump the gun on the start of the Fall '80 term with two special evening workshops in food preservation sponsored in cooperation with the Extension Service. The first session, set for Thursday, Sept. 4, 1980, from 7-9 at Telstar Regional High School will cover the time topics of Canning and Freezing, and the second class, on Thursday, Sept. 11, will be devoted to Drying and Root Cellars. Stephanie Knight of the Extension Service will instruct both sessions. There will be no fee charged and advance registration is not necessary.

The regular Fall schedule of Adult and Community classes in S. A. D. #44 will begin during the week of Sept. 22. The complete schedule will be available after Sept. 9, following approval of the instructors by the S. A. D. #44 Board of Directors, set for Sept. 8. A brochure containing complete course information will be mailed to former students and will be available at community locations throughout the district.

Registration will be conducted by telephone, 824-2136, mail, or in person, at the Adult and Community Education office at Telstar Regional High School during the week of Sept. 15.

ATTENTION QUILTERS

The next regional meeting of The Pine Tree Quilters Guild will take place on Tuesday, Sept. 9, from 7 to 9 p. m. at St. Catherine's Church, 29 Paris Street, Norway. The agenda includes workshop reports, 1980 State Quilt Show highlights, "show-and-tell", and a demonstration of the "Radiant Star Medallion" by Catherine Calf, a well-known Maine quilter and teacher. The monthly meeting is free and includes members of the local chapters of the P.T.Q.G. from Oxford, Androscoggin and Franklin Counties. Car pool information is available from Dorla Fudge, 824-2734 and from Carol Gersen, 824-2479.

Peter Peterson, Portland; Betty Hollis, Ed Martin, Donna Champlain, Chuck Sampson, Joni Greenaway, Mario Furtado, Jo-Anne Martino, Ron Lomasney, and Buz and Edna Hollander, Massachusetts.

Overnight guests of Gary and Esther Fuller last week end were: Judy Preble, Portland; Chuck Sampson, Mario Furtado, and Joni Greenaway, Marblehead, Mass.; and Donna Champlain, Peabody, Mass.

Mr. and Mrs. Robert Zaworski, Corvallis, Ore., have been spending several days at the home of her late parents, Mr. and Mrs. James Ring, Greenwood Road.

Reminder: This week end will be work days at the Recreation Field from 8 a. m. to 4 p. m. on both Saturday and Sunday. Please bring rakes, shovels, or wheelbarrows, and lend a hand.

Water District to Com In October; Other Ch

The Bethel Water District's regular September meeting on Tuesday night was devoted largely to implementing plans and handling all water bills through a contract computer billing service. The shift to computer billing by the District is expected to save approximately \$900 in the first year of its use despite start up costs that make the initial expenses higher than average. E. J. Prescott, Inc., of Gardiner, Maine, is the company that will provide the billing service for the Bethel Water District.

After the first billing period has been completed, the District plans a public meeting to hear of problems and service complaints. This meeting will probably be held in early November.

Also in October, the District will change a number of its administrative procedures. All calls about water service problems or questions should be directed to the District

"AFFIRMATIVE ACTION" WORKSHOP AT BETHEL INN ON WEDNESDAY, SEPT. 17

Jane Riley, the Affirmative Action Coordinator for the State of Maine will conduct an all-day workshop on Affirmative Action policy and practice in schools at the Bethel Inn on Wednesday, Sept. 17, from 9 a. m. to 3 p. m.

Participants in the workshop will increase their awareness regarding affirmative action requirements in education, such as the prevention of discrimination in hiring practices and the elimination of bias and stereotyping in the classroom, curriculum, and materials.

Rosemarie Hirshey, the Affirmative Action Coordinator for M. S. A. D. #44, invites teachers, administrators, staff and students from local educational institutions to attend.

Invitation is also extended to interested community members, especially parents of school students. There is no charge for the workshop and lunch will be provided for participants. To register, call Mrs. Hirshey's office at Telstar, 824-2582, before noon on Sept. 12.
